WORK EXPERIENCE

<b>Front-End Engineer   Bharat Intern</b> ◦ Front-end web developer experienced in HTML, CSS, JavaScript, and Bootstrap, seeking to apply skills at Bharat Intern to create engaging and responsive user interfaces.	<b>December 2023 - January 2024</b>
<b>Front-End Engineer   Codsoft</b> ◦ Front-end web developer at Codsoft, skilled in HTML, CSS, JavaScript, and Bootstrap, creating responsive and user-friendly websites.	<b>November 2023 - November 2023</b>

PROJECTS

<b>StoryWay</b> ◦ Developed a full-stack application using React.js for the front end, Java with Spring Boot for the back end, and PostgreSQL for the database. Implemented responsive UI with Tailwind CSS and managed data persistence with SQL.	
<b>Fitness Gym Factory</b> ◦ Developed a web page for Fitness Gym Factory utilizing HTML, CSS, and JavaScript. Implemented responsive design techniques for optimal viewing on various devices. Incorporated interactive features and animations to enhance user engagement. Ensured intuitive navigation and visually appealing layout to showcase the gym's services and facilities effectively.	
<b>Fresh-Faces Gallery</b> ◦ Designed a Photography Website titled "Fresh-Faces Gallery" using HTML, CSS, and JavaScript. Developed skills in web page creation and gained practical experience in showcasing photography portfolios. Enhanced understanding of web development concepts while creating an engaging platform for showcasing visual content.	
<b>Online Food Ordering System</b> ◦ Developed an Online Food Ordering System web page using HTML, CSS, JavaScript, and Bootstrap. Created a user-friendly interface for browsing menus, placing orders, and tracking delivery status. Implemented responsive design for seamless access on various devices. Gained comprehensive knowledge in web development, focusing on integrating front-end technologies to build an efficient and visually appealing platform for food ordering.
